AI-Powered Wealth Intelligence Platform

Transforming Capital Through Artificial Intelligence

INSTITUTIONAL INTELLIGENCE | AI-POWERED STRATEGIES | GLOBAL WEALTH ECOSYSTEM

AI

Mr. John Bennett is the CEO of Fundkey Holdings Pte. Ltd, a U.S.-born AI engineer currently based in Singapore.

With deep expertise in artificial intelligence and algorithmic systems, he has led the development of the company's proprietary trading infrastructure .

Under his leadership, Fundkey has evolved into a data-driven firm focused on building scalable, AI-powered institutional trading systems for digital asset markets. His vision continues to guide the company's expansion into institutional-grade automation and quantitative fund management.

About Fundkey Holding Pte. Ltd.

THE FUTURE OF DIGITAL WEALTH – DRIVEN BY INSTITUTIONAL AI

Founded in 2026 by visionary AI engineer and CEO Mr. John Bennett, Singapore based Fundkey Holdings is a premier digital asset firm entering a new era of global wealth acceleration. Before launching Fundkey, Mr. Bennett and his elite core team spent years developing proprietary algorithmic infrastructure and institutional fund management systems for industry giants like **GSR Markets**, **DWF LABS**, and **Jump Crypto**, operating across major global exchanges.

Today, this powerhouse team has consolidated its decade-long expertise into an independent identity. Fundkey Holdings is officially opening its high performance, real-time institutional strategies to **global retail investors**.

MESSAGE FROM THE FOUNDER

BRINGING INSTITUTIONAL TECHNOLOGY TO RETAIL

We are expanding our proven AI-powered trading technology beyond institutions, making institutional-grade solutions accessible to retail investors worldwide.

MAXIMIZING RETURNS THROUGH MARKET MOVES & MARKET MAKING

We generate profits by capturing major market opportunities and providing market-making services. By adding liquidity and utilizing market volume, we create consistent revenue and strong returns in all market conditions.

BEYOND CRYPTO: BUILDING A MULTI-ASSET AI ECOSYSTEMS

While crypto remains our foundation, our roadmap includes Gold, Nasdaq, and major U.S. indices, creating a diversified AI-driven trading platform across multiple asset classes.

This is a monumental opportunity for global retail investors. By participating in Fundkey's ecosystem, you are not just investing; you are aligning with an institutional-grade engine designed to capture real-time generational wealth.

JOHN BENNETT, OWNER, FUNDKEY HOLDINGS PTE LTD.

Important Guidelines

Clear Guidelines For A Secure And Fair Ecosystem

Guidelines for secure, transparent, and responsible participation in the FundKey ecosystem.

FUNDS DEPOSIT

Funds deposit is available in USDT (BEP20) and USDT (TRC 20) with minimum deposit amount of \$10, any other asset deposit to the address is non recoverable.

FUNDS WITHDRAWAL

Instant withdrawal is available in USDT (BEP20) with minimum withdrawal amount of \$10 and a withdrawal fees of 2% on withdrawal amount.

FORECLOSURE

Participants may choose to close their package at any time. A foreclosure fee of **10% of the package amount** will apply.

The foreclosure amount is calculated using the following formula:

Foreclosure Amount = Package Amount - Foreclosure Fee (10%) - Generated Profit

Example

- Package Amount: **\$1,000**
- Foreclosure Fee (10%): **\$100**
- Generated Profit: **\$200**

Foreclosure Amount = \$1000 - \$100 - \$200 = \$700

In this example, the participant will receive \$700 upon foreclosure.

Thank You

Together, let's build the future of
intelligent wealth creation.
